

## H. TIM BORGES

Toxicology and Hazard Assessment Group  
Life Sciences Research Division  
Oak Ridge National Laboratory  
1060 Commerce Park Drive  
Oak Ridge, TN 37830  
Phone: (865)574-6425  
Fax: (865)574-5353  
[borgesht@ornl.gov](mailto:borgesht@ornl.gov)

### Research Interests

Toxicological review and human health assessment of compounds focusing on hepatic and renal toxicity and metabolism.

### Education/Background

Ph.D., Toxicology, 1990, University of Kentucky

### Selected Technical Documents/Reports/Journals/Abstracts/Presentations:

Kulinowski, K. and Borges, H.T., *Nanomaterials ESH Literature Database*, American Institute of Chemical Engineers, Cincinnati, OH, Abstract 452c, Session 18J00, November 3, 2005

Talmage, S. and Borges, H.T., *Acute Exposure Guideline Levels (AEGLs) for 1,1,1,2-tetrafluoroethane*, Abstract 1485, Society of Toxicology, New Orleans, LA, March 6-10, 2005

Borges, H.T., *Data Evaluation Record, Clothianidin/044309, Study Type: Immunotoxicity – Rat*, MRID 46536502, Health Effects Division, Office of Pesticide Programs, U.S. Environmental Protection Agency, Arlington, VA. 2005.

Borges, H.T., *Data Evaluation Record, Ethaboxam (Lgc-30473), Study Type: Subchronic Oral Toxicity: Dog*, MRID 46387803, Health Effects Division, Office of Pesticide Programs, U.S. Environmental Protection Agency, Arlington, VA. 2005.

Borges, H.T., *Data evaluation record, Cloquintocet-Mexyl, Study Type: Metabolism B Animal (Hen)*, MRID 46373302, Health Effects Division, Office of Pesticide Programs, U.S. Environmental Protection Agency, Arlington, VA. 2005.

Biggar RJ, Engels EA, Frisch M, Goedert JJ, Borges, HT. "Risk of t-cell lymphomas in persons with AIDS", *J Acquir Immune Defic Syndr* 2001 Apr 1;**26(4)**371-6

Frisch M, Biggar RJ, Engels EA, Goedert JJ, Borges, HT, "Association of Cancer With AIDS-Related Immunosuppression In Adults", *JAMA* 2001 Apr 4;**285(13)**1736-45

R. Biggar, Borges, H.T., E. Engels, J. Goedert, M. Frisch, and the NACMR Group, "Cancer among 302,834 Adults with AIDS in the United States," *JAMA*, 2001; 285:1736-1745

Borges, HT, Watkins, J, Stafford, R., Biggar, RJ, "Linkage of Selected AIDS and Cancer Registries in the United States", *J. Registry Management*, 2001, **28(2)**, 89-92

Borges, H.T., R.A. Faust, A.P. Watson, and J. King, "Preliminary Data Analysis and Derivation of an Estimated Reference Dose for Mustard (HD)" presented at the 35th Annual Meeting of the Society of Toxicology. 1996

C.B. Bast and H.T. Borges, "Derivation of Toxicity Values for Dermal Exposure" presented to the 35th Annual Meeting of the Society of Toxicology. 1996

### **Professional Activities/Honors**

- 2004 Recertification by the American Board of Toxicology
- National Research Council's Review Panel on "Interim Report #10 on Spacecraft Exposure guidelines 2005
- Subcommittee on Iodotrifluoromethane, The National Academies, Board on Environmental Studies and Toxicology, Washington, D.C., 2002-2004
- Institutional Review Board, Covenant Health Systems, Knoxville, TN, 2002 – present
- Environmental Systems Fellowship, Environmental Studies, Univ. Kentucky, 1989–1990
- National Institute of Environmental Health Sciences Pre-doctoral Fellowship, 1990.
