

**ANNE E. ADAMSON**

Bioinformation Systems  
Life Sciences Research Division  
Oak Ridge National Laboratory  
1060 Commerce Park Drive  
Oak Ridge, TN 37830  
Phone: (865) 574-9851  
Fax: (865) 574-9888  
[adamsonae@ornl.gov](mailto:adamsonae@ornl.gov)

**Professional Interests**

I am an editor in the Genome Management Information Systems group at ORNL. Our group is charged with informing the public, Congressional members and staff, and the greater scientific community about DOE's genomics programs, including the Human Genome Project, Genomics:GTL, Microbial Genome Program, and Biomass to Biofuels.

**Education**

B.A., History and English, University of North Carolina at Greensboro  
M.A., History and Related Subjects, Peabody College of Vanderbilt University, Nashville  
Editing and Technical Writing Courses, University of Tennessee, Knoxville
